

## Raising a child who is blind? So are we.

WonderBaby.org is an online community of parents and caregivers who are living the challenges and joys that come with parenting special needs children. We've created this special place just for you—the people who love and care for them—to connect you with the resources, encouragement and community that can make parenting just a little bit easier.

### Visit [WonderBaby.org](http://WonderBaby.org) today to discover:

- An online network of parents who are raising children with disabilities
- Answers to your parenting questions
- Ideas for bonding with your child and encouraging his or her development
- Parent-tested resources and products
- Fun giveaway contests
- Also available in Spanish, Arabic and Dutch
